BESPOKE DESIGNS & CONSUMMATE PROFESSIONALS

ABOUT US

Prominence Interio believes that designing an interior should be a holistic process. It is more than just the functionality of the items involved; design for us, is an extension of your unique personality. It will give off an ambience that is found nowhere else except your home. We can customise designs and mould it to make the most of your space and have it satisfy all of your needs. Our consummate professionals can make your vision a tangible reality. Our expertise and perfectionism entails usage of materials of the highest standard. We are well versed in the creation of stunning living rooms, bedrooms, and kitchen. Our skill set also includes conceiving immaculate designs for modular kitchens, wardrobes, TV units, and furniture among others.

ULTIMATE QUALITY

Our products are the epitome of high quality. They are the embodiment of flawlessness. They will not wither or wear out. The process of ensuring meticulous perfection has been the root of our success. Our manufacturing unit is around 50,000 sq.feet in size and fitted with ultra-modern automatic CNC machines.

DESIGNING RE-INVIGORATED

OUR HIGHLIGHTS

We are ahead of our competitors because we possess an array of avenues for you to conceptualise and apply your vision into the final design. We have experts from across the country and the world for you to work. To make it even easier, we have ways in which you can personally control the process. Our superiority is a two-fold achievement: through employing the highest standard of resources and making the process easier.

Do It Your Way

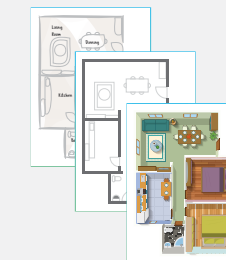

Design your Dream Interiors yourself

SKETCH IT AND WE'LL MAKE IT

ABSOLUTELY FREE

If you feel that you know exactly what you want in your home, and have it already sketched on paper, then you can share it here. We know that there is no else who can know what you want than yourself. After submitting your version, we'll render into a legit 3D version of your vision that can be realised into a proper interior.

PRICELESS OPINIONS OF EXPERTS

GET EXPERT OPINION

The expert advice that we can give is one of our most prominent arsenals. Comprised of supremely qualified professionals who have years of experience under their belts. You can reach them personally for advice on how to design your home. They will give their priceless consultation and help you create a personalised interior unlike any other.

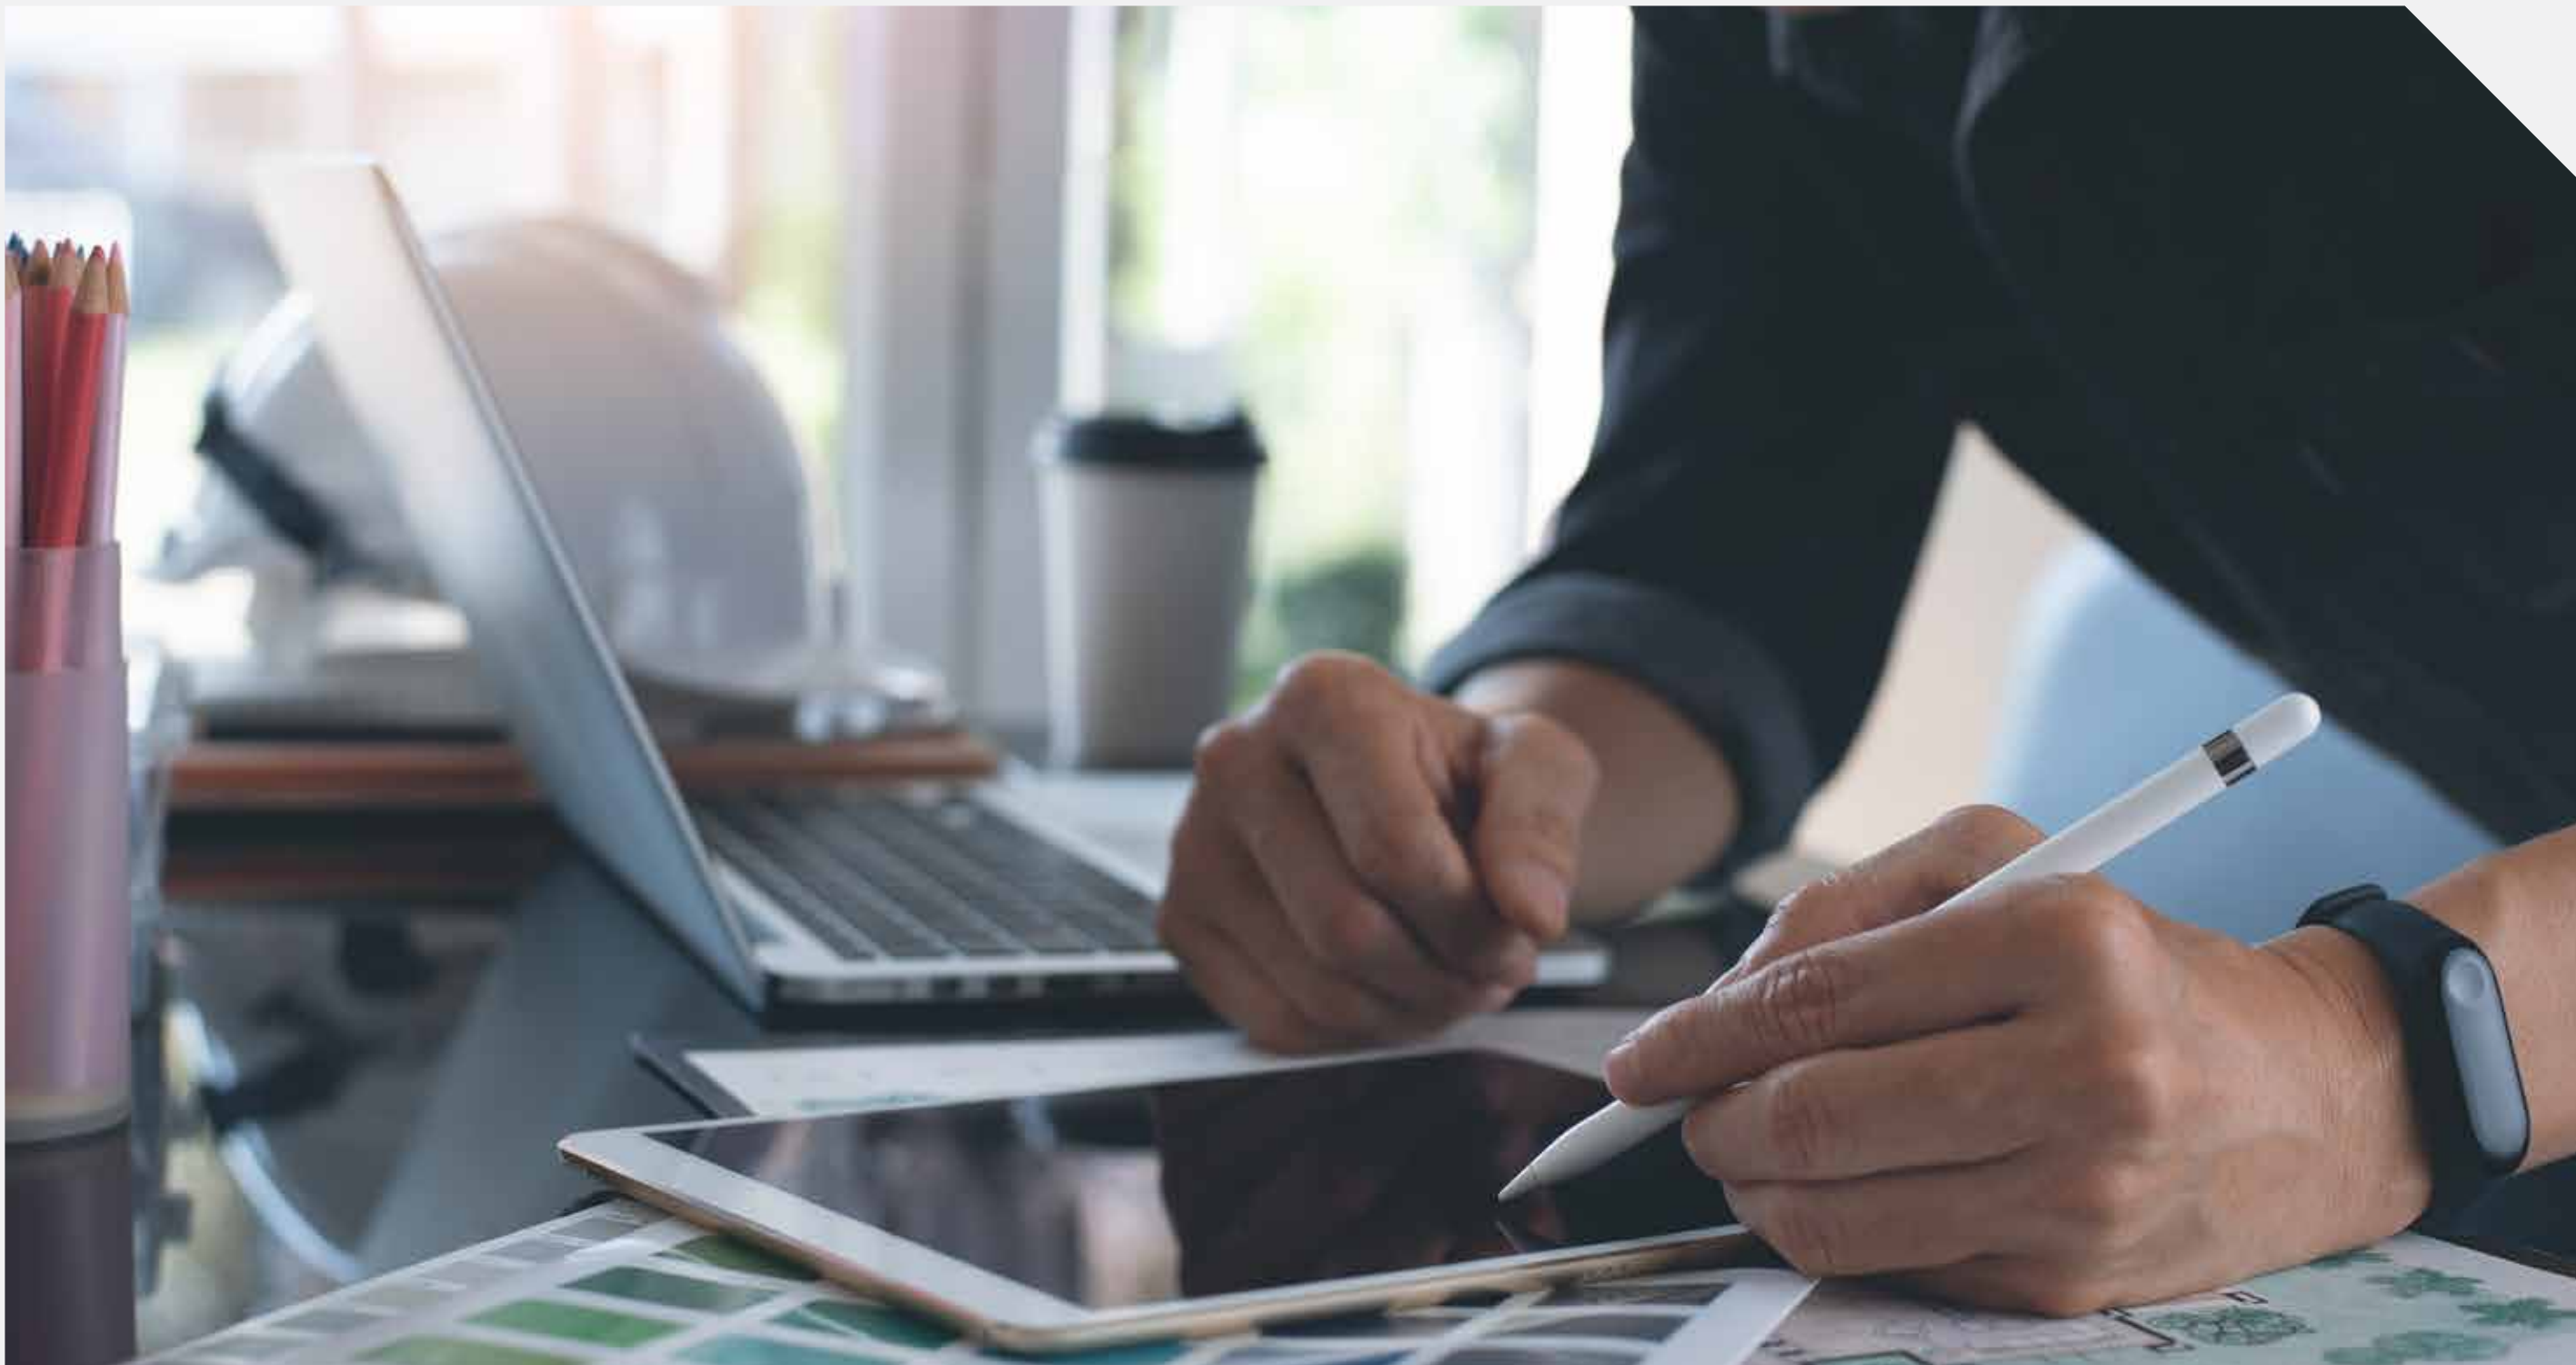

DESIGNS FROM AROUND THE WORLD

INTERNATIONAL DESIGNERS

When you are looking something out of the box, something that will make your home feel more than its sum parts, then calling the international designers in our book is advised. They are composed of experts from various aesthetic schools of thought and skillsets. Their invaluable perspectives and design will add another dimension to your interiors.

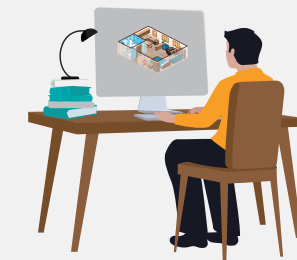

MAKE YOUR HOME IN YOUR STYLE

DO IT YOUR WAY

We have with us, our own patented app that is there for you to create your interior. This versatile app with many features and simple interface will assist you with designing your personalised vision. Once you've completed your vision, our professionals can translate it with a bit of fine-tuning into something tangible.

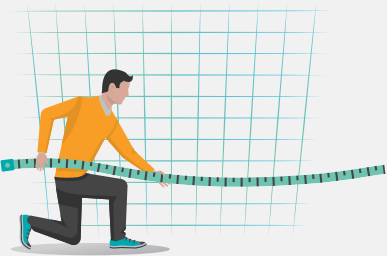

PLAN YOUR MASTERPIECE

DIY KITCHEN PLANNER

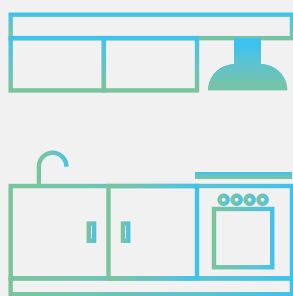

Design your interior with this easy to use and very accurate grid plan. Everything you need to design an exquisite interior is available here. You can make your own interior into print with just a few strokes. Our expert designers and creators can render your kitchen ready in a few weeks.

MAKING IT MAGICAL

PRODUCTS

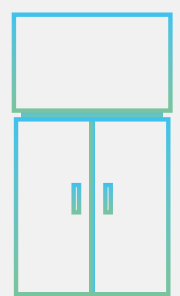

We design your interiors with the intention of transforming the place into a beautiful place that enchants your senses and makes you fall in love with it every time you set your eyes on it.

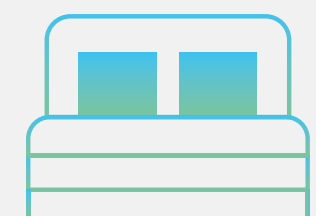

Modular Kitchen

Study Units

Pooja Units

NOT A KITCHEN, BUT A GALLERY

MODULAR KITCHEN

Sculpting your very own modular kitchen from scratch, we here at Prominence are experts at custom designing a kitchen for your unique home. The experts here have profound knowledge of designing aesthetics and can build you a timeless one. We heed by your inputs and ideas and conceive a design that pleases. Our kitchens will make your cooking experience akin to composing a piece of artwork.

BRINGING THE FAMILY TOGETHER

TV UNITS

The T.V. brings the whole family together, and a T.V. unit gives it a platform that keeps the gadget safe and enhances the viewing experience. It should ideally be having storage units of its own and also add to the aesthetics of the interior decor. Whether you want it with a bookshelf attached or you want it to be a wall-mounted one - our consummate designers can make it look good.

TUCK IT IN A TREASURE CHEST

WARDROBE

We create extremely sleek designer wardrobes and storage units that easily fits into your home decor. They are versatile decor/storage items that will help you create a formidable aesthetic. We consider the wardrobe to be essential to the interior design and therefore have utilised all our craftsmanship knowledge to make you, your ideal wardrobe and storage units.

WHERE DREAMS HAPPEN

COT

Another statement of a beautiful interior - the bed on where you sleep. This could be either a grand statement or a minimalistic idea. Whatever you desire, our master designers and builders here can chisel out the best wood to create a masterpiece. Not only will it be a comfortable place for you to rest, but it will be a gorgeous addition to your interiors.

CHARMING LITTLE HELPER

SIDE TABLES

Often neglected and relegated to the fringes, a side table can be a charming addition to your interior decor if you were to allow the right people to build one for you. We, here at Prominance, can give you the most delightful side table that will spruce up your interiors. Abiding by your design ideas and with the diligence of our craftsmen, a beautiful side table is just around the corner.

FOR A QUIET TIME

STUDY UNITS

These pieces of furniture are essential for a house that wants to inculcate the habit of reading and thoughtful reflection. These units are often reserved special rooms, and we are prescient of the many designs trends that exist. With your requirements taken into account, we'll create study units - tables, desks, chairs, boards - that enhance your homes overall aesthetic.

THE SOLE OF THE HOUSE

SHOE UNITS

These units are often bought without much thought, and what you end up with is often a substandard unit. Applying our designers' many years of collective experience, we can custom make a shoe unit perfectly compatible with your home. Nothing is too small for us or too big, nothing is too simple or too complicated, our designing versatility is one of our best features.

DISHING OUT A BEAUTY

CROCKERY UNIT

Master designers and master builders are both at our disposal to give you a final product that will stand the test of time and prove infinitely useful. Our skilled craftsmen will carve out a perfect specimen as per your requirements. It will be an ideal spot to place all your priceless crockery and dish sets, in addition to the charm and beauty it brings to the interior of your home.

WELCOMING WITH WONDER

FOYER UNITS

The first thing that a new guest will see when they enter your home is the hallway. Our designers can deliver a perfect specimen of a foyer unit that will enliven the foyer and make it stand out. These compact units will be a display piece that will bewitch your guests but also have storage functions of its own. With your design requirements, our craftsmen can deliver.

YOUR ROUTE TO HEAVEN

POOJA UNITS

You can prove your devotion to the divine powers with a beautiful Pooja Unit in your home. We make these units so that they are easy to rest idols and other ritual accessories. Our group of craftsmen will take your design requirements and make a perfect Pooja Unit that will not only be a beautiful addition to your interior decor but which will please the gods themselves.
