## ROOM SHAPE & DIMENSIONS

MAKE A NOTE OF THE FOLLOWING BEFORE YOU PLAN YOUR KITCHEN

- 1. Distance between walls, room shape and overall dimensions.
- 2. Ceiling height.
- 3. Mark the location of radiators, pipes, gas, electricity and water supply.
- 4. Sizes of doorways and windows and which way they open.

## PLANNING GUIDELINES

- 1. Simply mark out your kitchen space using the information above on the grids provided. SCALE 1:200 (1 square on grid = 200mm)
- 2. Cut out the units and arrange them in your kitchen space.
- 3. Each image represents a unit size and shape.

PLEASE NOTE: This is a guide to help you plan your kitchen. Always make sure you are 100% happy with your design before placing an order. Not all units are included in this document. © Copyright 2020 prominence interio. All rights reserved.
